Math: Mrs. McMillan
kcmcmillan@pearlk12.com

Topic: 4.MD.5 – Recognizing and Measuring the Different Types of Angles
****We are going back to cover 4th grade math standards the students missed last year due to COVID.****

Homework:
Monday: Worksheet (4th grade PPSB pages 305-306)
Tuesday: Find 3 objects while at home that have angles that we discussed in class. List, draw, and tell what type of angle each object shows.
Wednesday: Worksheet (4th grade PPSB pages 313-314)
Thursday: Worksheet (4th grade PPSB pages 315-316)

School Nurse Reminders:

Students SHOULD NOT attend school if they have any of the following:

*Fever of 100° or greater; chills; nausea/vomiting; diarrhea; severe sore throat/earache/headache; persistent cough; contagious rash; pink eye; or are waiting to hear back from a Covid test.

Prepared, Respectful, Involved, Dependable, Excellent

Pearl Upper Elementary
"Keep Calm and Stay the Course"
