

# Quest Monthly

April 2022

4<sup>th</sup> Grade  
Pearl Upper  
Elementary

Chemistry is a Blast! Students will be using the Scientific Method as we explore physical and chemical changes. We will have weekly STEM challenges and explore our creativity with other challenges throughout the months of April and May.

If you have any questions don't hesitate to get in touch with me. My email is [ahennessy@pearlk12.com](mailto:ahennessy@pearlk12.com) or you can reach me by phone at 601-932-7981.

## Important Announcements

Quest students are encouraged to bring a water bottle to class. They may also bring a snack to class.

Students will begin to bring home projects we have completed this year. Encourage them to explain the projects and what gifted outcomes were used as these projects were being explored.
