DIRECTORS NOTES

I am very proud of all of my cast and crew members and extremely thankful to anyone else who helped us produce this play. Everyone has worked extremely hard. I feel as if through all of our hard effort we have become one big family. Mrs. Hankins has taught us valuable lessons throughout these rehearsals and we would not know what to do without them. Break a leg guys!

Emily Johnson, Stage Manager

Working with this talented cast and crew on this production has been an honor. Now, just sit back and enjoy as they take you on this adventure through Middle Earth and the beginning of the highly acclaimed series, Lord of the Rings. I would like to dedicate this performance to my parents and Peter James, who taught me everything I know.

Sarah Hankins, Director
