- May 20th – Field Day
- May 26th Last day of School (60% day-Early release)
- May 26th Last day of School/Early Release

Math

Homework:

My math students worked so very hard working through all of our MAAP Test Prep materials for the last few weeks. So, on the day of the Math test, everyone came prepared and ready to do their best. Thank you, parents, for assisting and supporting us through this.

This week, we will wrap up testing by completing our last Iready Diagnostic tests.

Due to all of the students hard work, I will not be assigning ANY Math homework this week ☺

Take Note!

- Parents, thank you so very much for writing the motivational letters to your child before each day of testing! You will never know how much it meant to them. They couldn't wait to share them with everyone. As teachers, we always try to motivate the kids to do their very best, but at this point in the year, many students are just "over it" already. Your letters were very heartfelt and meaningful to both your child and his or her teachers. So many kids even asked, "Wait! How did my mom get this in here?" ☺ Thank you again for your support.
- We would also like to thank you, parents, for all of the donations of snacks, drinks, and goodies sent to us last week. It definitely took the sting out of our long testing days. We APPRECIATE YOU!

Language Arts

ELA VOCABULARY

Homework

Monday: Ready AR books

Tuesday: Last day to earn AR points

Wednesday: none

Thursday: none

Friday: none
