## Dental Network Information

To find a provider, visit [ameritas.com](http://ameritas.com) and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

## Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

## Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on November 1.

## Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

## Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

## Dental Cost Estimator

Ever wonder what a dental procedure usually costs? The answer can be found using the Ameritas group division's Dental Cost Estimator tool located in our Secure Member Account portal.

Members can search by ZIP Code for a specific dental procedure and see fee range estimates for out-of-network general dentists in that area. Of course, we always suggest that members partner with their dentists, so they know what's involved in any recommended treatment plan.

The estimator tool is powered by Go2Dental and uses FAIR Health data that is updated annually. Please note, cost estimates do not reflect discounted rates available through provider networks, and the estimator does not include orthodontic estimates at this time.

In addition, when members are in their Secure Member Account, they can:

- Go paperless with electronic Explanation of Benefits statements and reduce the clutter in their mailboxes
- View their certificate of insurance and specific plan benefits information
- Access value-added extras like the Rx discount ID card
