

MS. DUKES English I, Oral Communications, & Learning Strategies

Hello,

Welcome to the 2019 - 2020 school year! My name is Jenny Dukes, and I will be facilitating the aforementioned subjects this year. I am coming to Pearl with degrees in education from The University of Mississippi (HOTTY TODDY) and most recently a Specialist in Educational Leadership from William Carey. This will be my 6th year in education, and I am thrilled it will be in Pirate Country. In addition to English I, Oral Communications, and Learning Strategies, I will be sponsoring Beta Club and hosting In School Suspension. If there is anything I can do to assist you this school year, please feel free to contact me.
