

MEDIA ADVISORY

Pearl Public School District is proud to announce our participation in the Summer Food Service Program! For many kids, summertime means food, friends and fun. For families who count on school breakfast and lunch, however, the summer months can be stressful and family food budgets have to be stretched even further.

We have good news! Free summer meals are available to kids and teens ages 18 and younger at sites across our community. There's no paperwork to fill out – just visit one of our sites during meal time and your child or teen can receive a fresh, nutritious, delicious meal for free.

Meals will be provided to all children without charge and are the same for all children regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.

You can also visit <https://pearlk12.nutrislice.com/menu/summer-meal-site> for our summer menus and locations OR download the Nutrislice app free from your smartphone app store!
