

Dear Parent,

Our school has partnered with HMH to provide *Amira Practice*: an online, digital reading tutor for your child.

*Amira Practice* provides emergent readers with reading practice from the comfort and safety of their homes. Every reading session with *Amira Practice* provides teachers with rich insights that help them to stay connected with your student.

To get started, go to <https://www.amiralearning.com/home-support>.

1. Watch the video, 'Meet Amira'
2. Read the guide, 'Getting Started: Quick Guide'
3. Login here and start reading! <https://www.amiratutor.com/>

Have your student read with *Amira* as time allows. We recommend 30-60 minutes per week.

After your student logs in, he or she will be given stories to read. *Amira Practice* provides reading tips and guidance, like providing a rhyming word or showing a video of an adult's lips saying the word. At the end of the story, you'll see your student's progress.

I appreciate your partnership and support right now, more than ever. Please do not hesitate to reach out to me with your questions.

Sincerely,
